

Hustle Souls is an Asheville, NC based band who blend Retro-Soul, New Orleans Brass Music and Americana. [American Blues Scene](#) called Hustle Souls a *"generation-jumping mashup of new school second line funk with old school vintage soul."* **Bluestown Music** described the music as *"intimate soul...with a Curtis Mayfield like warmth."* They were recently named one of **Music Connection Magazine's** *"Hot 100 Live Unsigned Artists & Bands"*

Overflowing with energy and spontaneity; roaring B3 organ and jubilant brass are balanced with 3-part vocal harmony and a lust for songwriting that has been praised as *"worthy of being included in that brilliant soul music canon, a heritage that features some of the greatest performers and writers that have ever graced this earth..."* **Aldora Britian Records.**

In 2024 Hustle Souls released their vinyl debut and lead singer Billy Litz was invited to perform at the NAMM show in Anaheim CA as an artist representing the prestigious Santa Cruz Guitar Company. Hustle Souls has been booked on major festival line ups such as Bristol Rhythm and Roots Reunion, Shakori Hills Grassroots Music Festival etc. and have shared the stage with legends including sit ins with the likes of Kofi Burbridge and support slots for bands like Dumpstaphunk.
